## RESIDENT COUNCIL

The Resident Council was formed through the continued efforts by the Graduate Medical Education Committee in enhancing the educational experience at SPUH. It is a peer-selected group of residents representing all the residency programs at SPUH including Internal Medicine, Pediatrics and OBGYN. The Resident Council provides an independent forum in which residents meet among themselves to communicate and exchange information on their work environment and their ACGME-accredited programs.

The Resident Council charged with emphasis on seeking new opportunities in improving quality of life and education issues impacting trainee work environment(s), takes on the challenge of developing and advocating alternative guidelines that will ultimately increase the educational value at SPUH. The purpose of this Council is:

1. To serve as a voice for residents – addressing, facilitating, and prioritizing concerns and desires of the residents.
2. To provide a forum for open communication between the administration and residents.
3. To ensure resident involvement in the continued strengthening and development of the residency programs at SPUH.
4. To ensure resident involvement in the continued strengthening of patient care and quality of medical practice at SPUH.
5. To foster in all aspects of the growth and development of individual physicians in training at SPUH.

The Resident Council encourages and welcomes all residents to take part and contribute in shaping the policies governing physician and patient life and to be active in improving the quality and value for their patients and peers.
