Quilt of Hope

★ QUILT of HOPE. ★

There are three levels to choose from:

\$500 – 4.5" x 4" acrylic plate which will be placed in one of the three-dimensional wooden building blocks

★ 89 plates available

\$250 – 3" x 3" acrylic plate which will be placed over the image of the quilt

★ 168 plates available

\$100 – 3" x 1.5" acrylic plate which will be placed over the image of the quilt

★ 448 plates available

Plate measurements are approximate.

Example art is not to scale.

The Neonatal Intensive Care Unit (NICU) at The Children's Hospital at Saint Peter's University Hospital cares for more newborns than nearly any other hospital in the area.

Babies born prematurely or with serious medical problems are cared for around-the-clock by:

- ★ Neonatologists
- ★ Neonatal nurses
- ★ Neonatal nurse practitioners
- ★ Neonatal respiratory therapists
- ★ Neonatal pharmacists

Saint Peter's NICU offers specialty services including:

- ★ Developmental assessment
- ★ Genetic testing
- ★ Physical therapy
- ★ Ultrasound

The new "Quilt of Hope" mural will be located in the lobby of the NICU (3rd Floor of the Women's and Children's Pavilion) directly across from the elevators. This 17' x 5' three-dimensional mural will provide donors an opportunity to leave a legacy and support Saint Peter's by honoring a loved one or a hospital staff member.

All proceeds will benefit the Neonatal Intensive Care Unit at Saint Peter's University Hospital.

In order for your plate to be included on the initial installation, full payment must be received by Friday, August 14, 2009. All requests received after August 14th will be installed on a monthly basis.
