## SAINT PETER'S HELPS ME MAKE A DIFFERENCE...EVERY DAY.

As a charge nurse in the Neonatal Intensive Care Unit (NICU) at The Children's Hospital at Saint Peter's University Hospital, Susan D'Angelo has been caring for fragile newborns for over 20 years. She is a shining example of the compassion and dedication that is a long-standing tradition with all the nurses at Saint Peter's and just one of the reasons our team continues to win the coveted Magnet Award for nursing excellence. We're proud to recognize Susan and all our nurses for their outstanding level of care.
