

THEY UNDERSTOOD I DIDN'T WANT LEUKEMIA TO TAKE ME OUT OF THE GAME

Thanks Saint Peter's

Ryan McKee

THE CANCER SPECIALISTS AT SAINT PETER'S REALLY WENT TO BAT FOR ME.

Just like every other kid, I dreamed of becoming a ballplayer. Then, from out of left field, I got hit with leukemia. Lucky for me, the cancer specialists at Saint Peter's University Hospital stayed right by my side through every procedure and every chemotherapy treatment. With their entire team rooting for me, I wasn't about to quit. Today, I'm back on the field, and I've knocked cancer out of the park!
