## THE ORTHOPEDIC SPECIALISTS AT SAINT PETER'S GOT US BACK IN THE GAME.

We have a lot more in common than just being sisters and playing soccer. In fact, all three of us have torn an ACL in our knees. Lucky for us, the orthopedic sports medicine specialists at Saint Peter's University Hospital had the surgical expertise and the rehabilitation program to make sure we weren't on the sidelines for long. Today, we're back on the field and hitting all our goals.
