

CONGRATULATIONS ON ANOTHER GREAT PERFORMANCE

You've done it again! For the second year in a row, The Wound Care Center® and Hyperbaric Services team at Saint Peter's University Hospital has been honored by Diversified Clinical Services for outstanding patient care. In addition, you were awarded the prestigious Robert A. Warriner, M.D., Center of Excellence Award, a distinction reserved for centers that have been recognized for two consecutive years. It shows that Saint Peter's team has consistently delivered outstanding results for meeting or exceeding quality standards in:

- Healing Outcomes
- Days to Heal
- Patient Satisfaction
- Access to Care

All of us at Saint Peter's University Hospital couldn't be prouder of your accomplishments.
