**SAINT PETER'S UNIVERSITY HOSPITAL
OB PRE-REGISTRATION
254 Easton Avenue
New Brunswick, NJ 08901**

Instructions for Submitting these forms:

- **Pre-registration:** Complete this form using your legal name and address. The New Jersey State Department of Health requires that we obtain a copy of a patient's identification with a current address (e.g., a valid driver's license or passport). **Enclose a copy of both your identification and your insurance card.**
- **Birth Certificate:** Complete the Birth Certificate Worksheet information form with as much information as you can at this time. The remaining relevant information will be obtained after your baby's birth.
- **Advance Directive:** Federal and State governments require that we ask all admitted adult patients if they have prepared an Advance Directive for Health Care. An Advance Directive is a document prepared prior to your admission which expresses your wishes in the event you are unable to communicate your medical decisions.

If you have an Advance Directive, or if you complete the enclosed Advance Directive, please bring it with you when you come to the Hospital. The nurse will place a copy in your medical record.

- **Health Insurance:** If you do not have healthcare insurance, you will be asked for payment prior to your admission. Contact Financial Counseling, 732.745.8600, ext. 6439, to make financial arrangements.

If your insurance company requires that a claim form be processed along with your admission, please bring with you the completed and signed form.

If you have any additional questions regarding completions of these forms, please feel free to contact the Obstetrical Admissions Office during normal business hours at 732.745.8600, ext. 6439.

Thank you.
