

Quilt of Hope

Benefiting the Neonatal Intensive Care Unit
THE CHILDRENS HOSPITAL AT SAINT PETER'S UNIVERSITY HOSPITAL

The Neonatal Intensive Care Unit (NICU) at The Children's Hospital at Saint Peter's University Hospital cares for more newborns than nearly any other hospital in the area.

Babies born prematurely or with serious medical problems are cared for around the clock by a team of Neonatologists, Neonatal Nurses, Neonatal Nurse Practitioners, Neonatal Respiratory Therapists, and Neonatal Pharmacists. Saint Peter's NICU offers specialty services including developmental assessment, genetic testing, physical therapy, and ultrasound.

The "Quilt of Hope" mural is located in the lobby of the NICU, on the 3rd Floor of the Women's and Children's Pavilion, directly across from the elevators. This 17' x 5' three-dimensional mural provides donors an opportunity to leave a legacy and support Saint Peter's by honoring a loved one or a hospital staff member.

All proceeds will benefit the NICU at Saint Peter's University Hospital. 100% of your donation is tax-deductible.

Three Opportunities to Support:

\$500 - 4.5" x 4.5" acrylic plate will be engraved and placed in the wooden building blocks

\$250 - 3" x 3" acrylic plate will be engraved and become part of the quilt

\$100 - 3" x 1.5" acrylic plate will be engraved and become part of the quilt
